A NOTE FROM THE PRINCIPAL

I'm seeing red this week!

Not because I'm angry or wound up, but of course from the red shirts McLeod house are wearing this week on the back of their spectacular victory at last weeks sports day. They just pipped Milne by one point to sneak the win. A big congratulations to McLeod and house captains Sienna and Adam. Well done to Binnie, Milne, and Scott for giving it their all and showing great determination and sportsmanship on the day. Finally, a big thank you to Mr Searle, the sports committee, Pep, and all the volunteers for their hard work and generosity in putting on such a great day.

FROM PAGE ONE...

With only 3 weeks to go there is still a lot on the go. Teachers are busy finalising classes for 2023, writing reports and keeping teaching and learning programs ticking along. We look forward to swimming beginning in a few weeks (we're hoping for some great weather). If you haven't already organised your bathers, towel, and goggles, you still have a bit of time.

In week 8 we also look forward to hosting several year 10 students from Bordertown High School who are working here as part of their work experience placement. I'm sure they'll enjoy the opportunity to visit and work at their old school. We always enjoy the extra pairs of hands helping in the classrooms. Welcome year 10 students.

Our final Governing Council meeting for the year is coming up and I want to thank our Governing Council members for their important work, generosity, and ongoing support for the school. We really do appreciate each of them.

Our final Newslink will be published on Monday 12th December. We hope you've enjoyed receiving the printed copies and shared these around the kitchen table.

Until then, keep well.

The bar starts at 70.
Clink! Down falls the bar.
Next one flies over,
Failures go again.
First one clears,
Second chance number 2,
He is out!

After visiting the Botanic Gardens, we have been investigating environments found in Australia, South America and Africa. We have created different environments through painting and plasticine art. **Mrs Staude's Year 4 Class**

Sapsasa Boys Cricket

On Tuesday, Wednesday and Thursday of Week 3 Brodie, Jack and Cooper went to Adelaide for Sapsasa Cricket. On the Tuesday we played indoors because of the rain. It was different, but fun. On Wednesday we played 2 games. A 24 over game and a T20 game. We lost both of them. The next day we played a 72 over game and lost. Sapsasa cricket was a lot of fun. Thanks to our parents for taking us to training and to the games.

Sapsasa Girls Cricket

In week 4 Emma, Beth and Sophie went off to play cricket in Adelaide. We had a really good time and ended up drawing for 1st place. Our coach was Mr Searle and he put in a lot of time and effort. Helping us to improve in every game. We learnt a lot about the game of cricket and enjoyed playing against the other teams. We got to make lots of friends over the 3 days that we will remember for a long time. During the week we went out for tea, and to the beach to unwind after our games. We came home with a medal and a smile on our faces!

Thanks to Mr. Searle for coaching us!

Sapsasa Golf

On the 13th of November, I went to Canberra to play golf to represent SA. It took Dad and I 26 hours to drive to the Gold Creek Golf Course. On Monday we were meant to tee off at 8:30 but we got there at 8:00. They told us all the rules and what we were meant to do and to enjoy the game. The comp was an Ambrose (competition) with each state team. My team finished up with 2- and came runner up. We won a towel. Each day was different. Different comps, different players, and different tee off times. I won a Sportsman Achievement for showing everyone that if you play bad you can still enjoy the game. I really enjoyed the experience and made friends with basically everyone.
